This report listing the Top 100 Worldwide Universities that received the most U.S. utility patents is published by the National Academy of Inventors and the Intellectual Property Owners Association. The information provided in the list is based on data obtained from the U.S. Patent and Trademark Office. Patents reported are utility patents granted during the 2013 calendar year. When a patent is assigned to one or more entities, credit is given to the first named entity. For inquiries, or if you have a research foundation that should be combined with your university assignment in the future, contact aturley@academyofinventors.org.
